

关于期刊系统的一些修订

主页面部分

专用名词调整

稿件处理流程用 Manuscripts Process

主要流程应该有：

- 1.Pre–check
- 2.Under Review
- 3.Revision(这里面要能看出来是送的 Major 还是 Minor)
- 4.Resubmitted
- 5.Decision
- 6.Decision Done
- 7.Accepted
- 8.Layout
- 9.English Editing
- 10.Proofreading
- 11.Published
- 12.Rejected

整体页面建议：整体情况展示下面做一个下拉菜单筛选，而且还要包含期刊筛选的，左边是选项：Journals, Manuscript ID, Manuscript Process ... (看稿件后面附带有什么词条)

不筛选的情况下，下半部分的稿件展示就按照到达系统的时间来显示
展示方式调整一下：

This area can be categorized by different information, such as Manuscript ID, Submission Time, Current Status, Updated Time, etc., and then follow some operational functions.

Recent Activity

Pending Quality Check 13

这里不用再分状态，状态可以跟在稿件后面

Pre-check

New Assign Reviewers

信息管理系统
Submitted: 2026/2/3

Advancements in AI-Driven Scholarly Workflows
Submitted: 2026/1/29

New Assign Reviewers

Large Scale Test Paper 10
Submitted: 2026/1/22

New Assign Reviewers

Resubmitted Revisions 2

Sustainable Energy Solutions for Urban Development: A Comprehensive Analysis

New Assign Reviewers

1. 类似于一个表格，表头是上面写的稿件 ID, 投稿时间, 当前状态, 更新时间, Editor Name, 然后后面可以加派搞啊之类的功能；
2. 所有的时间，需要精确到小时和分钟（时区的问题，需要精确一下）；
3. 跟上面的筛选联动，上面设置了筛选条件，下面就相应的显示结果。

整体类似于这样：

Pending Decision: 5 Ready for decision

Approved: 1 Waiting for payment / publish

Waiting for Author: 0 Revision requested

Published: 13 Completed

Rejected: 0 Archived

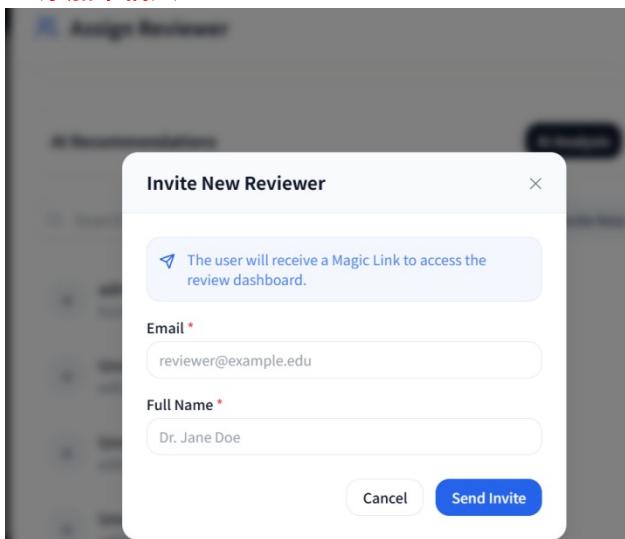

主要流程:

1. Pre-check
2. Under Review
3. Revision(这里需要看出来是Major还是Minor)
4. Resubmitted
5. Decision
6. Decision Done
7. Accepted
8. Layout
9. English Editing
10. Proofreading
11. Published
12. Rejected

Journals				
Manuscript ID	Submitted	Status	Updated Time	Assign Editor
JCR-0001	2026/2/3 16:55	Pre-check	2026/2/4 11:03	XXX / None

分页面部分

1. 添加审稿人

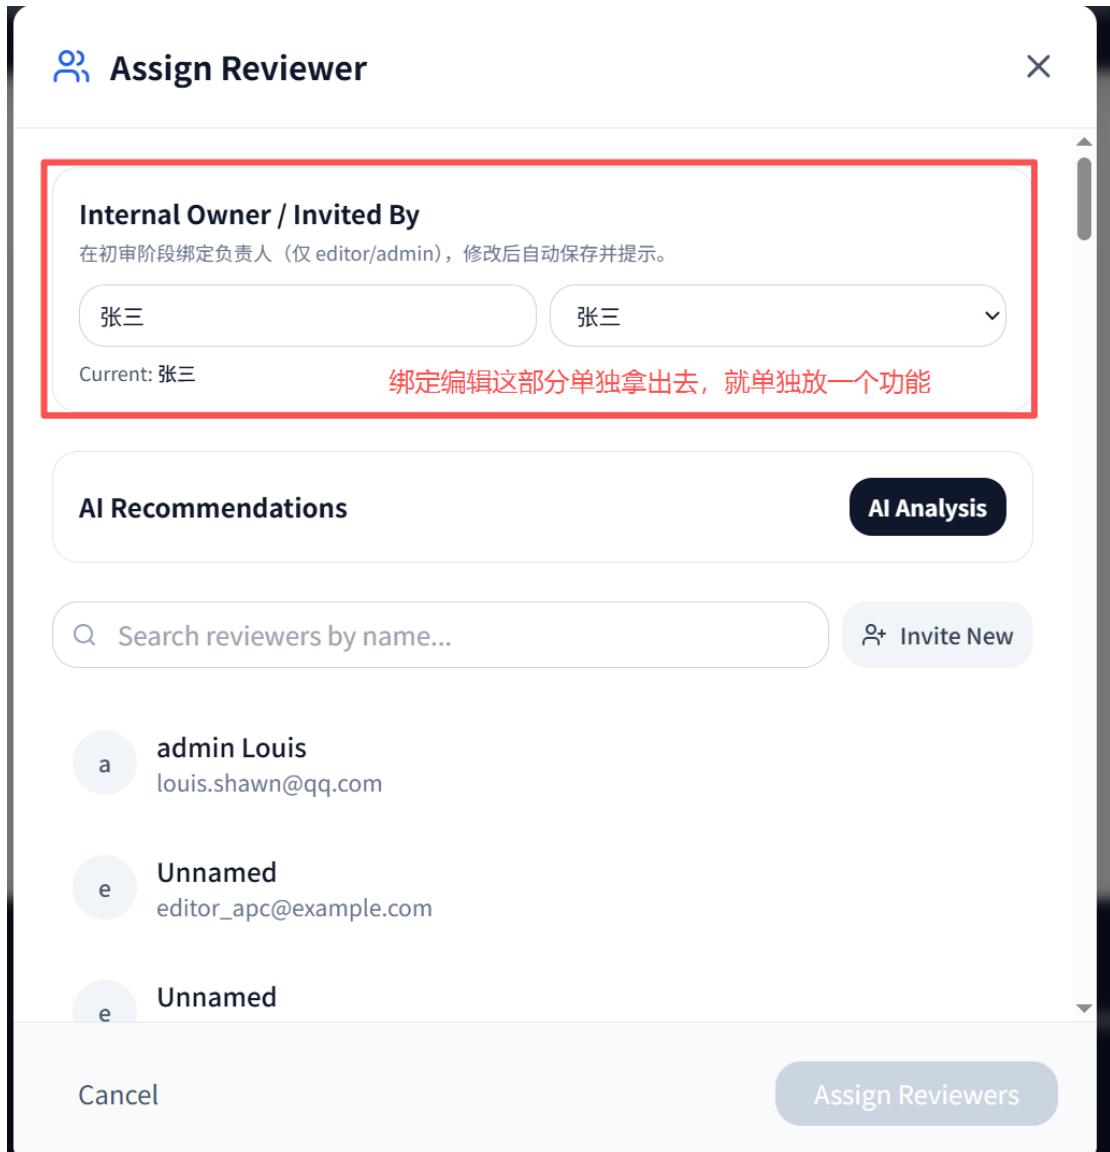

--这里信息再多一点，必须包含：

Name, title, Email, Institution, Interest, Homepage(选填)

--添加新审稿人的时候，右下角不要直接发送邀请，而是 **add**，添加到库，然后回到搜索栏里面去搜索添加

2. 绑定编辑归属人

3. 把稿件 ID 做出超链接，点击进入稿件单独页面，上面显示基本信息：

稿件 ID:

Title:

Authors:

Funding: (投稿填写的一些信息)

APC confirmation: Yes/No

Manuscript Owner: XXX

Assigned Editor: XXX

加上上传和下载文件的区域，要包含：Cover Letter, Original File(可能不止一个，看投稿上传了什么), Peer Review Upload(Word), Peer Review Upload(PDF)

参考图：(大概样式这样，信息没必要这么多，参考我上面说的这些信息)

metals-1351190	Under review	Quick find manuscript
National Natural Science Foundation of China		
Conflict of Interests	No	
Published Materials	No	
Author Contributions	Formal analysis, Kunlong Liu; Funding acquisition, Liushur administration, Yun Zhou; Supervision, Haichuan Wang.	
Coverletter File	coverletter.v1.pdf	
Number of Words		
Submission Received	06 August 2021 (140 days passed)	
iThenticate	Uploaded by Humphrey Wu Uploaded at: 2021-08-06 03:39:07 Percent match: 14% iThenticate report	
	Collapse [-]	
Journal	Metals	
Manuscript Status	Under review	
File Type	DOC	
Layout Check	Check on Merrin	
Externally Hosted Supplementary Files	Add	
Authorship Changed	No	
Preprints	Not yet uploaded	
Number of Pages	10	
Manuscript Owner	Sunny He	

下面显示各阶段状态，在审稿，在修改等等。。

APC 相关部分添加

APC 部分信息要跟稿件同步

这上面可以按照不同信息分栏，比如Manuscript ID, Submitted Time, Current Status, Updated Time, 然后后面可以跟一些操作功能

Recent Activity			
Pending Quality Check <small>13</small> 信息管理系统 Submitted: 2026/2/3			
Advancements in AI-Driven Scholarly Workflows Submitted: 2026/1/29	<small>New</small>	<small>Assign Reviewers</small>	
Large Scale Test Paper 10 Submitted: 2026/1/22	<small>New</small>	<small>Assign Reviewers</small>	
Resubmitted Revisions <small>?</small> Sustainable Energy Solutions for Urban Development: A Comprehensive Analysis	<small>New</small>	<small>Assign Reviewers</small>	

这个展示栏目后面区域可以有绑定归属人 MS Owner, APC Confirm, Pre-check 这几个可编辑的信息再加上 Assign Editor 的功能键

另外就是单个稿件详情页下面，要有 Invoice Information 的内容编辑选项

Journals		
Manuscript ID		
Status		
Assign Editor		
Invoice Info	Authors	XXX
	Affiliation	XXX
	APC	1000 USD
	Funding Info	XXX
下面保留Edit功能，赋予权限		
	Edit
